A modern living room with a wall of vertical wood paneling. The paneling consists of several vertical panels separated by thin, light-colored lines. A decorative crown molding runs along the top of the wall. In the foreground, a light-colored sofa is visible, featuring several cushions, including a patterned one. A brown blanket is draped over the sofa. The overall aesthetic is clean and contemporary.

WALL PANEL

An aerial photograph of a rugged, eroded landscape. The terrain is characterized by deep, winding gullies and a prominent V-shaped valley. The soil is a mix of light brown and tan, with some darker patches. A winding road or path is visible in the lower part of the image. The overall scene is arid and desolate.
